

Join Us! Wednesday, October 16

Behavioral Health Day **2019**

Well. Beyond Healthcare.

Prevent | Support | Recover

The Florida Behavioral Health Association (FBHA) invites you to Behavioral Health Day on Wednesday, October 16 beginning at 8:30 a.m.

Join the Florida Behavioral Health Association (FBHA) and our collaborative partners in the Capitol on the 22nd floor in Tallahassee as we raise awareness for mental illness and substance use disorders.

This year's Behavioral Health Day theme is "Well. Beyond Healthcare." We know that behavioral health is more than just healthcare: it's preventing and intervening when possible, supporting each person in their recovery path, or managing mental illness.

The goal of Behavioral Health Day 2019 is to empower peers and family members to become effective advocates for behavioral health funding and policies in Florida. Attendees will have an opportunity to meet with elected officials to share their story.
